

1,100 BOY SCOUTS PLAN FOR BIG WEEK OF CELEBRATION

Each Day, Beginning Sunday, Set Aside For Observance of Some Phase of Scout Work—Big Time Wednesday When Fathers and Sons Banquet.

Eleven hundred Boy Scouts in Memphis will celebrate the sixth anniversary of the founding of the order in America next week. It will be the sixth anniversary of the Boy Scouts of America. Each day of the week will be set aside for the observance of some phase of scout work.

Sunday will be designated Scout Sunday. Each scout is expected to attend church with his father and mother. Memphis pastors have been requested to devote a part of the service to the scouts.

Monday will be recruit day. Memphis has 41 troops some of which are not fully recruited. A troop consists of 20 scouts. It will require 200 new scouts to fully recruit all troops.

Tuesday will be community day. The entire community will be asked to adopt the scout slogan, "A Good Turn Every Day." This slogan on this day will make a special effort to do something helpful for the community.

The last day of the week will be "Father and Son Day." Wednesday will be marked by the fathers and sons banquet at the Scottish Rite club. The banquet will be held at 7 o'clock and will be a most enjoyable affair.

Thursday will be scoutmaster's day. Mothers' day will be observed Friday, the regular meeting night of the troops. In honor of "Mother" special programs will be given, consisting of demonstrations of troop work. The parents of the scouts will be invited to attend troop meetings on this night.

Boy Scout week will close with a big hike. Plans for the hike have not been fully completed, but the scouts will all be out in uniform with full packs ready.

BETTER THAN WHISKEY FOR COLDS AND FLU

New Elixir, Called Aspirinal. Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter If Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspirinal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories, tested and approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried. All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspirinal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the dose in one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it. When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspirinal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.

FIFTEEN YEARS OF BLACK-DRAUGHT

Black-Draught Highly Recommended by Illinois Men for Liver and Stomach Disorders—Used It for Fifteen Years.

Singerton, Ill.—"For fifteen years we have used Thelford's Black-Draught, and have not yet found anything that could take its place," writes Mr. W. K. Blatter, of this town. "I have used it for indigestion a number of times, and it gives relief," continues Mr. Blatter. "For four stomach, a long, flatulent feeling, it is splendid. And when the liver gets torpid, so that when you eat and raise up suddenly you feel dizzy, a few doses will set you straight." "We keep it and use it for indigestion and the above troubles, and find it most satisfactory. I can recommend it to others and gladly do so. For the number of years I have used Black-Draught, now I ought to know. In its 15 years of usefulness, Thelford's Black-Draught has relieved thousands and thousands of persons suffering from the results of a disordered liver. And, like Mr. Blatter, many people feel that, after using Black-Draught nothing can take its place. If you haven't tried Black-Draught, get a package today. Nearly every druggist keeps it. adv.

EVA SHIRLEY.

"That 'jazz' music has a real mission, notwithstanding the fact that it, like the old 'rags' and other frothy forms of music and dancing, will eventually pass away, is the theory of Eva Shirley, a girl of 18, who has a plan to make a record of the music of the future."

25,270 PEOPLE PAID

to hear CICCOLINI at the Orpheum Theater last week (in 14 performances) sing in tone test with

The NEW EDISON

Ciccolini, the great Italian tenor of the Chicago Opera Co., as he stood alongside the New Edison last week, singing in tone test, proving a perfect reproduction of his voice.

Over twenty-five thousand people here in Memphis last week saw Ciccolini standing side by side with the New Edison and sing in direct comparison—only by watching his lips could they tell when Ciccolini was singing and when the Edison was singing.

The Original Tone Re-Created

Ciccolini's wonderful tone quality was perfectly recreated by the New Edison.

Wonderful and Daring Test

The audience could hardly believe their ears. They were amazed to learn that a reproducing instrument could sustain such a test so perfectly.

No Other Phonograph Dare Make This Test

The perfection of the New Edison was brought about by the expenditure of over three million dollars.
